Criminal & Traffic Defense

We vigorously represent and defend those being investigated, arrested, or charged with a crime or traffic infraction, and accept referrals from many local attorneys when their clients face similar obstacles. We will be happy to assist with misdemeanor, felony, or civil traffic offenses.

We will help you immediately, and do everything ethical in our power to aggressively protect your rights. The experience, skill, and integrity of the representation we provide our clients is confirmed by our firm's AV rating by Martindale-Hubbell, the highest and most prestigious ranking awarded by the nation's leading legal directory. Our rating is based on the confidential opinions of other local attorneys and local judges who are best suited to assess the legal abilities of our firm.

If you, a family member, or friend has been investigated, arrested, or charged with a misdemeanor, felony, or traffic infraction, we want to help.
