## **Personal Injury**

**NO ATTORNEY'S FEES OR COSTS, UNTIL YOU WIN**

The phrase "Personal Injury" encompasses many different types of injury cases, including but not limited to automobile accidents, motorcycle accidents, uninsured motorist claims, injuries caused by drunk drivers, pedestrian accidents, bicyclist accidents, golf cart accidents, ATV accidents, animal bites and attacks, boating accidents, premises liability claims, and workplace injuries. Oftentimes, serious injuries result.

The period immediately following such a serious incident can be overwhelming for the victims of the accident. While coming to grips with your serious injuries, you must also immediately face serious issues such as having your vehicle repaired quickly, getting your medical bills paid properly, and obtaining immediate payment for lost wages so your family can continue paying its everyday bills. Moreover, skilled insurance adjusters who represent the insurance company and the person who caused your injuries will be working feverishly to protect their company's and their insured's interests, rather than yours. Our formidable team can and will help you immediately. We will do everything ethical in our power to aggressively pursue your rights against the wrongdoer and applicable insurance companies in order to achieve a fair pre-trial settlement or a favorable verdict after a hard-fought jury trial.

We are proud to represent victims in serious Personal Injury cases, and accept referrals from many local attorneys when their clients are injured in such accidents. The experience, skill, and integrity of the representation we provide our clients is confirmed by our firm's AV rating by Martindale-Hubbell, the highest and most prestigious ranking awarded by the nation's leading legal directory. Our rating is based on the confidential opinions of other local attorneys and local judges who are best suited to assess the legal abilities of our firm.

If a loved one has died, or you or a family member has been seriously injured due to the fault of another, we want to help.
